

# LEARN TO WEAVE WEEKEND 2026

**DATE:** APRIL 18-19, 2026

**TIME:** 10am – 5pm (**doors open at 9am** for loom setup. Instruction starts promptly at 10am)

**LOCATION:** Fairview Terrace Mobile Estates Clubhouse: 700 E Fairview Ave, Meridian, ID

**CONTACTS:** Cindy Griewe (208-761-7679) or Robin Conrads (208-440-0506)

**COST:** \$40 (includes yarn)

**LIMITED TO 14 PARTICIPANTS**

## Description

- Bring your loom, shuttle, bobbins and weaving tools to this 2-day weekend of learning the basics of drafts, warping, and weaving on your loom.
- Basic instruction, discussion, and mentor assistance will help you better understand the art of weaving.
- Mentors available to give basic directions and assistance as you warp and weave on your loom.

## Specifics

- Rigid heddle or shaft looms (table or floor) can be used for this weaving experience.
- You will need a 6-8 epi reed, at least 12 inches wide.
  - Rigid heddle must have 6-8 epi reed. No adjustments can be made to epi on rigid heddle.
  - Shaft looms can have a different epi and we can help you calculate the adjustment
- Some looms and tools are available on loan from the guild on a first come first serve basis.
  - **If you need a guild loom and weaving tools, contact Vila Cox asap to reserve.**
- Mentors and participants can bring larger tools to share with the group.
- **Warp and weft will be provided** to create approximately 6 dishcloths in either twill or plain weave.

**TIPS:** Start learning now with Learning to Weave by Deborah Chandler

**TOOLS:** Bring your loom, shuttle(s), bobbins (if needed for your shuttle), reed (6-8epi), scissors, waste yarn (old yarn to use as spacer material), any tools specific to your loom.

**OPTIONAL EXTRAS:** bring a warping board, warping pegs (rigid heddle), bobbin winder, yarn needle, t-pins, other weaving tools that you like.

**FINAL DETAILS:** bring a lunch, bring a snack to share, get comfy (wear comfy clothes, fuzzy socks or slippers, a sweater, etc), bring your own chair or bench if desired
